ORDER

The case came up for hearing. Petitioner present in person, Respondent No 2 along with counsel present.

Petitioner filed an application along with affidavit stating that both the parties have compromised outside the court. The petitioner do not want to press the case further more and intends to with draw the same. Counsel for respondent also agree to the submissions of petitioner. They filed a compromise deed executed in Hindi on a plain paper signed by both the parties in presence of witnesses and with seal and signature of Naib Sarpanch Hardev Singh.

I have heard both the parties' Application for withdrawal & compromise deed perused, which shows that both the parties have resolved their dispute amicably out of the court & petitioner wants to withdraw the case as such no further proceedings are required in the matter.

In view of the above the application of petitioner seeking withdrawal of petition is allowed & the present revision petition is dismissed as withdrawn.

A copy of this order along with record file be sent to Deputy Commissioner, Udhampur for information & further necessary action.

Stay issued, if any shall stand vacated. The case file be consigned to records after due completion.
